

MACOMB POLICE EXPLORER POST #4044

VOLUNTEER REQUEST FORM

The Macomb Police Department Explorer Program takes pride in its active community involvement and willingness to assist other non-profit organizations within our community. For us to best serve Macomb and McDonough County organizations, please fill out the form and submit it no later than 2 weeks from the date of your scheduled event. This allows our volunteers adequate notice to determine if we have enough volunteers to support your request.

Please note our organization follows the traditional fall and spring semester schedules followed by Western Illinois University, Spoon River College, and the Macomb School District. If your scheduled event takes place during the summer, or during scheduled academic breaks, this may make it more difficult for us to support. Additionally, we reserve the right to deny requests at the discretion of the post advisor.

If you would like assistance with your event, please complete the form below. The completed form can be mailed or dropped off at the address below, or e-mailed to mmarass@macombpolice.com.
